3. Who comes to the meeting?

Each Pantera must have a parent present. This is important for our organization to run efficiently and effectively. Both parents are welcome to attend. The Panteras are not included at this meeting. . .don't know why they'd want to come anyway. . .unless they want to beg us to raise more money to buy them each a car.

4. What's expected of me at this meeting?

- A. Arrive a few minutes early. . .make it 10, if you want to socialize a bit or ask a Board member a question or assist in setting up the room for our meeting.
- B. Upon arrival, please sign your name on the sheets provided. These sheets will be sorted by Grade Classification of your Pantera and have your daughter's name on them. You will need to sign beside your Pantera's name.
- C. Gather up your information from one of the boxes as you enter the room. The boxes are sorted alphabetically by Pantera. In this folder, you will find an agenda and other pertinent information.
- D. Find a seat and get to know the people around you until the meeting starts. There are no assigned seats, so just join any table. . .no cliques in the Booster club!

5. What happens at the meeting?

We abide by Robert's Rules of Order. We will follow an agenda and review minutes, budget, address committee chairs and discuss any Booster Club Business. Also, Kelli attends every one of these meetings and gives out vital information pertaining to performances, times and expectations.

6. What do I do during the meeting?

Take notes on your copy of the agenda. Speak up if you have a question. Make a motion or second a motion. Vote when called upon to vote. Listen attentively and visit with your friends after the meeting is over. You think I'm kidding. . .don't you? We are such a vibrant group of people, that it's difficult to keep our mouths shut when we get together.

7. How do I get to the library?

The library is located down the front hall. So, if you come park near the circle drive on Heritage, then you go in the doors to the right that go by the attendance office. Just walk straight in those doors and down that hall. The Library will be on your right.

8. Where do I park?

I like to park in the front of the school on Heritage. You may park wherever you like. The doors at the back of the building are not always unlocked at night though.

9. How long do these meetings last?

They usually last about an hour. Some are longer if we are discussing an upcoming event or trip or contest.
